I love climbing trees! It's what Monkey's love best! One day I was climbing a tree in the back garden as usual, when all of a sudden... I had an accident!

One of the branches gave way and I fell from a great height! I bumped my head and landed on my arm.

My arm really hurt! My mum saw me from the window and ran to help. Mum thought I had broken my arm and needed to go to A&E.

The paramedics were very kind. They bandaged my leg to stop the bleeding and put a cold pack on my head.

The paramedics gently lifted me onto a stretcher and wrapped me up with blankets to keep me warm.

The ambulance arrived really quickly! You hear the sirens coming up the road.

They carefully put a splint on my arm, then a sling around it to protect my arm before I got to the hospital.

It hurt, but I was very brave!
