

# Monkey's VE DAY BUNTING

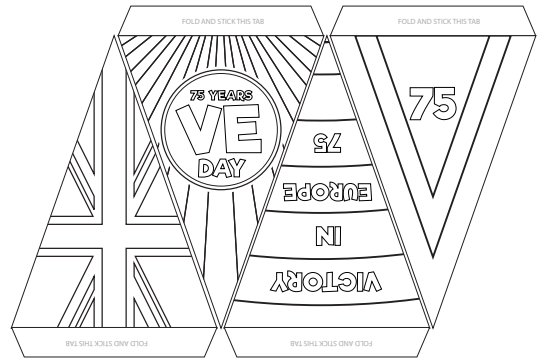

Celebrate the 75th anniversary of Victory in Europe Day with Monkey's VE DAY BUNTING

## How to make Monkey's VE DAY bunting

- 1) Ask a grown up to help you to cut out the flags with scissors.
- 2) Print out the bunting templates and get colouring, or just print out the ready made bunting and use that! If you haven't got a printer don't worry, ask a grown up to help you draw out a template (an old cereal box would be a great thing to use) then get creative!
- 3) Colour in/paint/decorate the flags.
- 4) Cut around the flags (leave the section at the top to fold over the string/ribbon).
- 5) Cut a long strip of thin ribbon/string to attach your flags to.
- 6) Fold over the tab at the top of the flag and hook it onto the string.
- 7) Stick or staple the tab to the back of the flag.
- 6) Hang up your bunting!

## What You Need

## Monkey's Top Tips

You can make the bunting as long as you like by using more of the flags.

You can also create your very own VE DAY bunting designs. What would you put on your design?
